EXECUTIVE SUMMARY

Product-minded **Senior Full-Stack Developer & Plugin/Theme/SaaS Engineer** with **6+ years of professional experience** engineering Gutenberg-first WordPress platforms, Full Site Editing (FSE) block themes, Shopify theme app extensions, and scalable full-stack SaaS architectures. Proven track record publishing approved WordPress.org plugins/themes and official Shopify Apps, delivering **300+ client and product solutions** with over 230+ 5-star outcomes across UK, US, and European business portfolios.

PROFESSIONAL EXPERIENCE

Travasoft Limited (UK) Remote Jan 2026 – Present | United Kingdom

Senior Remote WordPress Expert (Plugin, Theme & SaaS Engineer)

- Architect and develop high-performance Gutenberg block theme architectures powering **7 multi-industry service business platforms** (Electrician, HVAC, Gas, Roofing, Plumber, Driving, Accountant).
- Engineer modern full-stack SaaS dashboards leveraging **Supabase** database schemas, secure authentication workflows, REST APIs, and automated Vercel deployments.
- Build dynamic quote estimation calculators and custom client workflow engines, minimizing third-party plugin bloat and improving load times.

EchoaSoft Ltd. Nov 2024 – Oct 2025 | Dhaka, Bangladesh

WordPress Developer (Plugin Development & Marketplace Modules)

- Engineered commercial-grade, reusable WordPress plugins and high-performance custom modules for **DiviFlash**, expanding marketplace feature offerings.
- Developed lightweight, zero-framework REST API backends ensuring peak execution speed and minimal server resource consumption.
- Designed robust license key verification engines and feature-lock security layers to safeguard premium commercial assets.

WebCartisan LLC (formerly WooXperto) Nov 2022 – Oct 2024 | Dhaka, Bangladesh

Full-Stack Developer & Engineering Team Leader

- Led an agile engineering team in planning, designing, and delivering complex client web applications, custom WooCommerce extensions, and plugin suites.
- Spearheaded core product development for custom WooCommerce solutions including dynamic gift card workflows and automated top-up systems.
- Enforced strict clean-code standards, instituted peer code reviews, and mentored junior developers to maximize team delivery speed and code quality.

Seopage1 IT Solution Nov 2020 – Sep 2022 | Dhaka, Bangladesh

Junior Web Developer

- Built bespoke responsive WordPress themes and custom portal features using PHP, JavaScript, jQuery, and MySQL.
- Collaborated closely with SEO and UX design teams to troubleshoot cross-browser issues, fix defects, and optimize Core Web Vitals.
